INTRODUCTION

In St Edward's First School we believe that everyone is of equal value. Each person is a unique

individual with their own special qualities and will be encouraged to develop respect for themselves

and everyone with whom they come into contact.

This policy sets out the school's approach to promoting equality, as defined within the Equality Act

(2010). It covers sex, race, disability, religion or belief, sexual orientation and the school's statutory

duty to produce a Single Equality Scheme. This Equality Policy statement sets out:

- aims and values
- the school's overall approach to promoting equality, diversity and tackling discrimination
- specific reference to sex, race, disability, gender, age, religion / belief¹ and sexual orientation
- roles and responsibilities
- monitoring, reviewing and assessing impact

OUR APPROACH TO PROMOTING EQUALITY

¹ As a voluntary aided school with a religious character, the governing body may give preference to any candidate or admissions application whose religious opinions and worship are in accordance with the tenets of the religious denomination of the school.'

The overall objective of the school's Equality Policy is to provide a framework for the school to

pursue its equality duties to eliminate unlawful discrimination and harassment; to promote equality

of opportunity; and to promote good relations and positive attitudes between people of diverse

backgrounds in all its activities.

Through the Equality Policy, the school seeks to ensure that no pupils, staff, parents, guardians or

carers or any other person through their contact with the school, receives less favourable treatment

on any grounds which cannot be shown to be justified. This covers characteristics identified within

the Equality Act (2010) i.e. sex, race, disability, religion² or belief, sexual orientation or gender

reassignment. In addition, this may also include characteristics such as ethnic or national origin,

language, marital or civil partnership status, age, responsibility for children or other dependants,

trade union or political activities, social class, where the person lives or spent convictions.

The principles of this policy apply to all members of the extended school community: pupils, staff,

Governors, parents and community members.

A COHESIVE COMMUNITY

St Edward's First School recognises the importance of working in partnership with our local and

wider community.

In order to achieve a cohesive community, we should:

- promote understanding and engagement between communities
- encourage all children and families to feel part of the wider community
- know the needs and hopes of all our communities
- tackle discrimination
- increase life opportunities for all
- ensure the curriculum explores and addresses issues of diversity

All our staff are responsible for:

MONITORING, REVIEWING, ASSESSING IMPACT

The policy will be regularly monitored and reviewed to ensure that it is effective in eliminating

discrimination, promoting access and participation, equality and good relations between different

groups, and that it does not disadvantage any particular sections of our community.

Any pattern of inequality found will be used to inform future planning and decision making
