

Dear Parents and Carers,

I am delighted to inform you that we will be welcoming **Fiona Barker**, author of the 'I Definitely Don't Like Winter', 'The Big Christmas Bake' and 'Setsuko', to St Edward's on **Thursday 12th October 2023**. Fiona is a local author who comes to visit our school each year with her new books. '**Fox's Favourite Autumn**' was published this September so we will be one of the first schools to be lucky enough to have the book read to us by Fiona!

During the day, Fiona will lead an assembly with the whole school, followed by workshops with each Key Stage based around her new book.

If you would like to buy a copy of 'Fox's Favourite Autumn' and have it signed by Fiona, please do this via the independent book store, 'Fourbears Books' in Caversham. Please use the link below to order the copy and make sure that you select to "collect at Fourbears (or School if Applicable)" to avoid paying for postage. In the notes section, please add in the name of our school, "St Edward's Catholic First School, Windsor", along with your child's name so that we are sure to get the book to the correct child. They have kindly said that they will deliver the books to the school on Thursday morning. Any books will then be signed by Fiona on the day with the children.

Please could all orders be made by 12pm on Wednesday 11th October.
